HONDO LAND

All eyes are turned on the Reservoir and wise
investors are taking in all they can get un-
der the ditches. For that reason that block
of 240 acres I am offering for a limited time
will be taken soon. It is too good to pass
by. Every foot of it is tillable and under the
ditches, the title is perfect, and what is more
it is only a few miles from town. An ideal
home and general ranch. It is a cash prop-
osition, but I can arrange terms if you would
prefer it, and see you about it before another
wise man takes it.
